

CAMPANY ROOFING  
*Island Division*

## CAMPANY ROOFING ISLAND DIVISION

**South Florida's Premier Roofing Contractor for Upscale Construction,  
Repair, Replacement, Maintenance and Design**

---

**S**ince 1993, Campany Roofing Island Division has provided the top residential and commercial roofing services in South Florida. Our experience, attention to detail and quality laid the groundwork for our Island Division's exclusive team that specializes in high-end projects.

## EXCEEDING SERVICE EXPECTATIONS

---

**W**hen you're building or repairing a home in any of the upscale pockets of paradise throughout South Florida, you need a roofing partner who is knowledgeable, experienced and professional at every turn. The Company Island Division offers:

- Skilled, uniformed technicians experienced with shingles, concrete tile, clay tile, slate, shake, metal and more
- Trained roofing professionals specializing in custom designs and unique products and systems
- Vast experience with local codes and inspections
- Highly responsive with on-time, on-budget delivery of services unmatched by our competitors

- In-house sheet metal shop and a full fleet of vehicles including trucks, kettles, rooftop equipment and cranes
- OSHA-Certified Safety Director on staff ensuring all safety measures are addressed
- Manufacturer-certified on built-up systems, modified systems, single-ply, coatings, standing-seam metal, gutters, downspouts, waterproofing and more
- Design and estimating based on budget, longevity, R-Value, insurance requirements, local code compliance, negative pressure calculations, engineering and architectural specifications
- Labor and materials guaranteed on all work performed

## HIGH-QUALITY SERVICES FOR SOPHISTICATED HOMEOWNERS

---

**H**omeowners of multimillion-dollar properties deserve a contractor who meets their demands. You need a partner on whom you can depend. The experts of our Company Island Division are exactly who you want both on your jobsite and behind the scenes.

- Discreet, courteous and uniformed technicians, professional in both demeanor and appearance
- Strict adherence to neighborhood working hours, materials delivery and municipal inspections
- Systems implemented for protection of turf, shrubs, trees and ornaments; the dwelling; collateral structures; vehicles; interiors; and other property assets
- Daily end-of-shift debris removal, cleanup and inspection
